No increase in County budget

Haliburton County taxpayers won't see an increase in the county portion of their tax bills. County council set its budget earlier this month, about three and a half months later than usual.

Confusion over responsibilities, as mandated by the provincial government, left county officials scratching their heads, wondering which bills they were going to have to pay. With the numbers finally in hand, council held a special meeting to finalize the county budget.

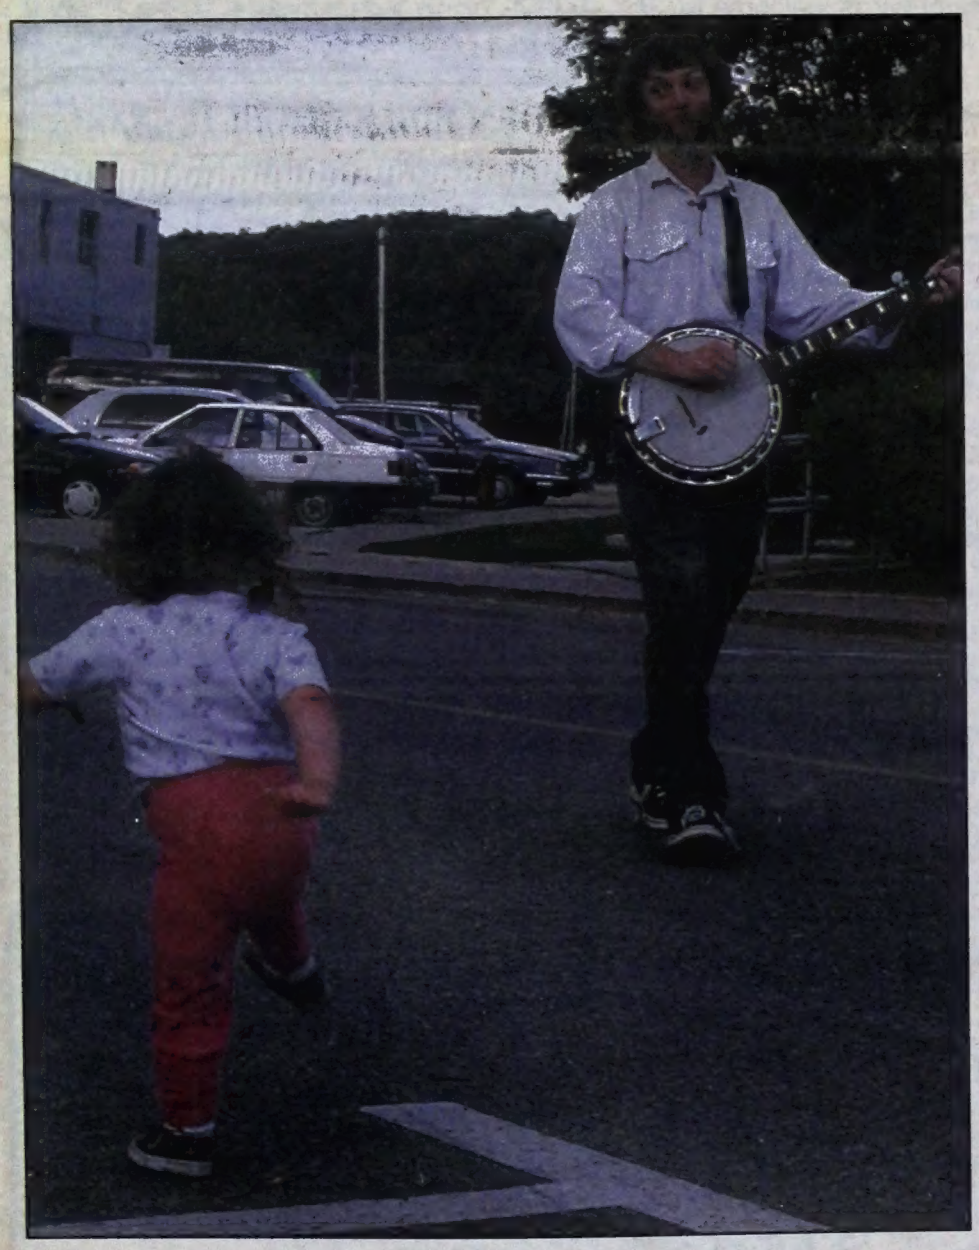
"It's a stand pat budget, even after incorporating the new provincial responsibilities," said county warden Murray Fearrey.

Fearrey noted there will be a 1.7 per cent reduction in expenditures from last year. In order to keep the county levy from increasing, Fearrey explained that the room to manoeuvre, because of the change in education tax, was used at the county level.

"The assessment change may reflect an increase," Fearrey said. Actual value assessment will result in increased taxes to many Haliburton County ratepayers, especially those who own waterfront property.

The provincial government has lived up to its commitment to keep the changes in taxation responsibilities "revenue neutral" by injecting the nec-

(more on page 3)



One young member of the audience just coluldn't resist the music as folk singer David Archibald entertained Friday evening during the Music by the Gull concert. The popular entertainer blended a mixture of adult and children's songs to the delight of the audience. The free concerts return August 7 featuring Brian Moore and his band.

With her foot on the treadle, Celeste Northcott of Haywood, California gets a hands-on lesson in spinning wool from Jean Farrell. The demonstration was one of many at the annual Quilt, Rug and Fibre Arts Show this past weekend at the Minden Arena. For more photos from the show, see page 21.

Bat Lake motor ban

by Jerry Grozelle

It took about seven years, but the majority of property owners around Bat Lake have finally got their way.

The council of Anson, Hindon and Minden has supported the Bat Lake Ratepayers' Association in its bid to have gas powered outboard motors banned from the lake.

The overwhelming majority of property owners around the lake favour such a ban. But not everybody supports it. Angelo Del Favero, who has owned property on Bat Lake for about five years, said he would agree

(more on page 3)

Give the gift of life

It is time for everyone to roll up his or her sleeves and lie down. A blood donor clinic is scheduled for this July 28.

The clinic will be held at the Haliburton Legion Hall on Mountain Street, from 1:00 to 7:00 p.m. Donors between the ages of 17 and 60 are invited to give the gift of life. At this time of the year, blood supplies are low and donors are needed. Please give the gift of life.

On the wall

Artist John Lennard steps back from his work for a minute to examine the progress and take a cooling drink. The cooler weather of the past week made it more pleasant as he worked on the biggest canvas in the county, the side of The Times building. Several people have noted while they have seen the changes to the mural they rarely see the artist at work. John does most of his painting in the cool of the early morning starting at about 7 a.m. and generally finishing by 10 o'clock. The public is welcome to watch the artist at work. You just have to get up early to catch him with a brush in his hand. This photo was taken July 24.

Hot dogs for hospitals

Haliburton Health Services Foundation summer employee, Jen Bradfordright, sells another hot dog during a BBQ blitz Friday and Saturday in front of Dollo's IGA in Minden. The hot dogs and drinks were donated by IGA and their suppliers so all the proceeds from the two days went directly into the Hospital fund. The barbecue raised $1200 for the foundation.

Bobby Curtola rocks and rolls into Minden Saturday

Bobby socks, poodle skirts, slicked back hair and penny loafers....this Saturday they are all back in style as Minden plays host to Bobby Curtola and his Dance Party.

The gold record entertainer, one of Canada's leading teen idols from the 1960's will be appearing Saturday at the Minden Arena. The dance party, organized by Ross and Lois Rigney, is be presented as a fund-raiser for the Haliburton Highlands Health Services Foundation.

"With the hospital projects about to get underway, we think this is a great time to have some fun and rise some money for the hospitals," Ross Rigney said last week. "We promise everyone an entertaining evening, lots of door prizes and memories of the sixties....all for a good cause."

Tickets for the event are $25 per person and are available at retail outlets throughout the Highlands. The doors open at 8 p.m. with the show beginning at 9 o'clock.

Good news in audit

An audit of the townships of Anson, Hindon and Minden paints a rosy picture of the municipality's financial position. Auditor Gary Thurston presented his report at the council meeting Thursday.

Following Thurston's advice from last year, council decided to use some surplus funds to pay down debentures, resulting in substantial savings in interest charges. Combined with the fact that most municipal departments managed to meet their budget targets, provincial grants were higher than expected and some predicted deficits were smaller than anticipated, the municipality ended the year with a surplus of nearly $101,000.

Thurston noted that debentures were paid down by $500,000 while reserves were down by only $236,000.

In addition, taxes receivable (unpaid taxes) are the lowest since 1989. There is still room for improvement, however, since the taxes receivable remain at 13.9 per cent.

"Track your investments and watch for the next opportunity to pay down debentures," Thurston advised council.

Council approves Bat Lake motor ban

(from page one)

ing outboard use to under 10 horsepower, but he opposed an outright ban.

Bill Douglas, who lives at Gelert and owns property on Bat Lake, also spoke against such a ban at Thursday's council meeting. Douglas admitted his motive was strictly financial. "I'm trying to sell my property," he said, adding that he feared an outboard motor ban on the lake might hinder the sale.

Tim Koibusalo spoke on behalf of a large delegation of people in favour of an outboard motor ban. He said that Basshaunt Lake, which isn't as environmentally sensitive as Bat Lake, has a gas powered motor ban in effect.

"Bat Lake is much more sensitive," he said.

Koibusalo noted that bass are the only game fish in the lake and, unlike lake trout, for which most anglers troll in open water, casting is the preferred method for catching bass. Therefore, he reasoned, there is no need for gas motors on fishing boats. It was pointed out that the ban would not apply to electric motors.

Koibusalo said there are 17 families with cottages or residences on the lake, with 15 of them favouring the ban, one opposed and one neutral. In total, there are about 22 property owners, of which, Douglas is one who has no cottage or residence on his property.

Since there is no open public access to the lake, Koibusalo said there would be no need for the municipality to install signs noting the prohibition of gas powered motors.

"This is a chance for council to show foresight....," he said. "You can save this one tiny lake."

Bat Lake is roughly twice the size of Cedar Lake, which is situated on the west side of Highway 35, between Moore Falls and Miners Bay. Bat Lake is west of Minden, north of the South Lake Road.

Anson, Hindon and Minden public works superintendent Clayton Cameron explained that there is an unopened concession right-of-way which actually crosses part of the lake. But, he added that about half of the 240-foot distance is very boggy.

Warren Haddock also spoke in favour of the ban. Among other things, he mentioned the nesting loons, which are in danger from the wake generated by outboard motors.

Shaddock also noted that the ban may actually be a benefit to Douglas in the sale of his property.

Councillor Daryl Moore asked for clarification regarding the numbers of property owners, citing a discrepancy in pro and con count according to the letters received by council regarding the matter.

As it turned out, five of the families represented at the meeting had not written letters since they planned to attend the meeting to voice their support for the ban.

After hearing the arguments for and against the proposal, council passed a resolution supporting the majority.

The proposal will now go to the Ministry of Natural Resources. With the municipality's backing, it is unlikely that the MNR will oppose the gas motor ban for Bat Lake.

Budget concerns for next year

(from page one)

been topped up by more than $2-million.

"Next year is a question mark," Fearrey said. "There is always a possibility we'll have to raise taxes to meet the new responsibilities in the future."

Fearrey said there will have to be some growth within the county to meet those responsibilities in the coming years.

On a positive note, Fearrey said he has noticed a slight increase in business at Haliburton Lumber and building permits are up at most municipalities.

The county has committed $25,000 to start on the county official plan, Fearrey noted.

With regard to holding the line on the county tax levy, Fearrey said, "I'm pleased that it worked out that way. Enough people are going to get an increase because of the assessment change, they don't need an increase in the county levy too."

Student wins prestigious Queen's scholarship

For Haliburton Highlands Secondary School OAC graduate Sheamus Donnery, the next four years at Queen's University in Kingston just got a little easier. Sheamus is a recipient of a Queen's University Chancellor's Scholarship.

The Lochlin area resident learned last Thursday that he was one of the 40 students entering the university this year to receive the award. The significant scholarship provides $6,500 each year for four years. "I was surprised," said Donnery. "They told me that I didn't get it, but I guess someone turned it down."

Donnery was one of several students from HHSS who applied for the scholarship. According to Laura Willis, of the Guidance Department, the quality of this year's graduates made it difficult for those responsible for deciding who would receive scholarships and awards. "This was a competitive year," said Willis. "There were four other students who could have won this. But Sheamus was a gracious winner."

Willis attributes the award to Donnery's hard work in both the school and community. "He is kind and caring and helps his fellow classmates. He is just a really nice guy. It's a great honour," said Willis.

His record of accomplishments illustrates why Donnery was chosen for this award. He has been an active student at HHSS, participating in the Sunship Earth and ELM programs, a peer tutor, co-captain of the soccer team for three years, a member of the band, a former member of the Students' Council, just to name a few activities.

Outside of school, Donnery played hockey, and is currently employed as a Special Needs Worker at SIRCH. Of course, a 95 per cent academic average probably didn't hurt his chances when the award was being considered.

Donnery plans to study Science at Queen's, perhaps majoring in Biology. His plans for the future are still open...he might go on to become a teacher or study to become a chiropractor. That decision is still some time away.

Donnery is also very thankful for the support of the school. "I would really like to thank (principal) Mr. Gary Brohman, (science teacher) Mr. Dave Mowatt and Mrs. Laura Willis and the ladies in the office for helping me fill out my applications." said Donnery.

Chancellor's scholarship

Sheamus Donnery of Lochlin will find his next four years at Queen's University a little easier to take, thanks to a generous Chancellor's Scholarship. The HHSS graduate learned last week that the award he won will include $6,500 per year for each of his four years.

Editorial

Wide awake

Those who still buy the favourite line of the Toronto media when referring to this part of the province obviously haven't been in the Haliburton Highlands recently. We refer to that familiar catch phrase, "sleepy cottage country hamlet of ____".

Decades ago it was probably an apt description which deftly captured the character of most places in cottage country. However, while we enjoy the image it invokes, the phrase today has become very far removed from reality.

One need only have visited any community in the Highlands during the past few weeks to realize that sleepy no longer applies. Not only have the number and variety of activities in the Highlands increased, the quality is also much improved. Classes in fine art and fun diversions, tours of historic and stately locations, presentations which highlight the talents of accomplished artists and crafts people, carnivals, parades, celebrations and dinners.... the calendar is chock-a-block with activities and events to match the interests and tastes of just about everyone.

Summer is here in all its busy, fun-filled glory. There is still a place for that sleepy imagery the out of town media love to use, but don't look for it in town. The only place you'll find it is under some trees in a hammock, beside a lake. Enjoy.

jb

Letters

Challenge for handicapped parking

Editor:

I has come to my attention that the county seat (Minden) only has a total of four parking spots for the disabled, with the exception of a few stores being Home Hardware and IGA.

There's only one handicap parking spot in all of Main Street. The bank being one of the busiest spots in town, does not have one in front of it. There is one around the corner and two at the municipal office. They don't count because they do not meet the required distances, not being level ground, one surface, plus distance.

There's one at the post office - does it belong to the post office or is it for random use?

It is difficult to understand how the municipality can charge someone with a handicap card for being stopped in front of the bank with a motor running, waiting for any parking space to become available (handicap or not), when they cannot ticket the vehicle for not parking within the parking lines. There could be an exception if the vehicle was too long or too big for the spot but if the vehicle fits it should be within the lines. When I approached the municipality about the situation they said, "the back half of the vehicle was in a no parking, no stopping shaded area".

Loomis or Brinks trucks stop and load and unload in the same area. I guess when you have a lot of money it doesn't matter. Right across the street a beer truck can block three parking spaces for the better part of the day, along with the double parked furniture delivery tractor trailer with no one directing traffic. Things that work well during the lean season don't work well during the busy season.

Minden doesn't have a disabled handicap parking stopping, standing, loading and unloading by-law.

Toronto, Oshawa, Lindsay and Peterborough have exceptional policies and law regarding the handicapped. Please, it's time for genuine change.

The existing parking spot is uneven if you enter the vehicle on the right side, sit down and you can't close the door within reason, due to the unevenness of the road work being heaved along with the heaved paving stones. I could imagine someone in a wheel chair would have trouble with those.

Home Hardware is accommodating with parking, wide aisles, help loading and downsizing material so it's easier to handle.

IGA is also handicap friendly with wide aisles and parking. An observation for everyone to make: there are many people who are disabled who are not in a wheelchair. They have been dubbed "invisible disabled" (heart and breathing problems or motor skills). Thank you on behalf of myself and anyone else concerned.

Nick Fomenko
Minden

Sorry

Editor:

This letter is to serve as an apology to the teachers of Haliburton County. In my recent letter to the editor, I incorrectly identified the writer, of the letter to which I was referring, as a teacher, which in fact she was not.

Geoff Robinson
Blairhampton

P.S. Memo to Diane Thompson: as a former "Poly Sci" student, I don't recall English grammar being included as part of the course.

But where does the art come from?

Editor:

I have read with great interest your recent articles regarding the six sculptures being erected to welcome people to the Haliburton Highlands, letting them know that this is "Where it's Art." What a great idea! Although I must say, I was shocked to see that the Haliburton County Development Corporation Art Committee commissioned an artist from North Bay to do the metal sculptures rather than using one of at least two metal artists in our own County.

Kathy McKelvey-Brown,
Minden.

County planning group now offering a

Boredom-free meeting guarantee

by Tamara Wilbee

During the past year, numerous volunteers have dedicated an incredible amount of time developing committees which have been discussing such issues as a coordinated transportation system, marketing, economic diversification, youth development, health, education, retirees, telecommunications and the environment.

We have just issued our first quarterly newsletter which highlights the work of each of these committees, as well as other news that is emerging from the municipal world. Watch for it at local stores, municipal offices, lake association contacts or call the County office to have a copy mailed to you.

It's once again time to review the work of the Strategic Planning Committees and to find out if you think we're on the right track or if we should be looking in other directions.

Two events have been planned for August 26 - one in the morning in Stanhope at the Firefighters Hall from 9:00 a.m. to noon (barbecue to follow) and the other in the afternoon in Gooderham, at the Glamorgan Community Centre from 3:00 p.m. to 6:00 p.m. (with a barbecue as well). The Planning Committee has put a lot of work into the agendas for the Community Forums to ensure that we can offer a "no boredom" guarantee to participants.

We are hoping that this will be the start of an annual community event involving the entire family. Yes, you can bring your children, no matter what their ages, as we are working on a specific kids' agenda for the day, to allow them to participate in a meaningful, yet fun way! Babes in arms are also welcome and youth are asked to give their input into youth development activities or anything else that might interest them.

Please R.S.V.P. to the County office at 705-286-1333 or e-mail <thecounty@cybernet.on.ca> as soon as possible so we can make appropriate arrangements for seating, food and refreshments, child care etc.

Watch the papers or your local bulletin board for new information or give us a call. We look forward to seeing you there!

Trucks destroying Ingoldsby ambience

The following is an open letter to the Reeve and Councils of the Municipalities of Anson, Hindon and Minden, Dysart and the County Road Committee:

As residents of Ingoldsby, we wonder if council is aware of the heavy trucking (1 1/2 - 2 tandem gravel trucks) passing through our community on South Kashagawigamog Lake Road at the rate of one every one to two minutes from dawn to 4:30 or 5:00 p.m. If you are aware of the hazard and disregard of citizens, it would seem you are powerless to control or prohibit same.

However, we would request you to immediately use whatever influence you have with the County Roads Department to halt this dangerous and

(more on page 17)

The rules

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy. Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

Arthur Black

To snooze, perchance to dream

First, let me establish my position on naps— afternoon or otherwise.

I am in favour of them — I am in fact a professional veteran of napping. I can sleep anywhere, anytime, lying down, slumped in a chair or just leaning against something reasonably substantial.

Having said that, allow me to say a few words in praise of one of the greatest sleeping machines ever devised by the ingenious mind of humankind. It is a device that belongs in the first ranks of that pantheon of human gizmos including the laser printer that immortalizes my grocery list, the kitchen microwave that nukes my Nescafe, and cameras no bigger than a pack of cigarettes that spew out photos Karsh would be proud to keep.

The machine I sing the glories of is infinitely subtler than all of those. It is an astonishingly simple device containing no gears, no batteries, no digitized Operating Systems — in fact, no moving parts.

Ladies and gentlemen I give you...the hammock.

Could anything be simpler and still give such pleasure? A hammock is basically a strip of cloth with ties on each end. All it needs to become fully operational is two immovable objects — trees, walls, a couple of railings. That and one human body looking for a session of divine repose.

You can hang a hammock pretty well anywhere, but for maximum enjoyment, I recommend a site overlooking a garden. Gardens are perfect for hammocks because hammocks are the very antithesis of the real garden experience. You know how gardening freaks crow about the joys of their chosen pastime — the spiritual thrill of cultivating tiny seeds and shepherding them to fruition? The sensual bliss of running your bare hands through rich, moist loam?

They are deluded. Gardening is fun the way golf is fun. Gardening is about sore knees, scratches from raspberry canes, blisters on your hands and sunburn on your neck from too many hours spent grappling with rose thrip, leaf curl, potato blight, corn smut and an entire galaxy of creeping, crawling terrorists ranging from tomato worms to aphids and not excluding onion maggots.

A garden, like golf, is about hard work and perpetual disappointment. Whereas a hammock..is about everything else.

The purpose of the hammock? There's the beauty — it has none. Unlike the wheelbarrow, the pitchfork and the five-clawed rotary garden hoe, the hammock has no function. No socially redeeming one, anyway. The hammock is deliciously and specifically designed for the purpose of doing exactly nothing. A hammock takes your bruised and battered body and enfolds it to its bosom. It is a personal cubbyhole, a private cocoon, a woven womb of comfort, subject only to the gentle nudges of a passing breeze.

What a wonderful place to contemplate the scudding popcorn clouds; the botanical ingenuity of leaf veins; the erratic arabesques of passing butterflies; the loopy ululations of a far-off pileated woodpecker.

Better still, what finer place to enjoy the pastoral bliss and tranquillity you assumed you'd draw from your garden before you discovered the cruel truth about small-time, amateur agriculture?

A night at the opera; dinner in a five star restaurant; a fine wine; a good cigar; two rinkside golds to a Red Wings game — I'd trade 'em all for an uninterrupted hour or two on a fine summer afternoon in a hammock stretched between two apple trees overlooking somebody else's garden. The finest snooze you can ever hope to have.

STOP team will patrol snowmobile trails

by Jerry Grozelle

With the snowmobiling season still several months away, a group of local snowmobilers is preparing to making the trails safer. Five members of the Haliburton County Snowmobile Association will be patrolling the trails as part of the STOP (Snowmobile Trail Officer Patrol) program again this winter.

The officers are trained as special constables and they have full authority to enforce snowmobile laws, including the power of arrest, under the Motorized Snow Vehicle Act.

Chris Bullerdick, one of the HCSA STOP officers, pointed out that failure to identify yourself is an arrestable offense.

Officers will be checking for identification, insurance, driver's licenses and talking to snowmobile drivers to determine if they have been drinking. If a driver is impaired, a police officer will lay the appropriate charges.

The STOP officials have completed a two year training course and they will be starting their second season on patrol this winter.

The STOP program originated in Sudbury about five years ago. Last winter was the first on the local trails for the HCSA volunteers. Over the course of the season, they stopped 2,130 sledders, issued about 800 warnings and laid about 30 charges.

"The whole mandate is to save lives," Bullerdick said. He admits, the STOP personnel have been very lenient. Bullerdick said that in most cases, offenders could have been charged with several infractions, but were charged with only one.

Bullerdick said he's surprised at the number of snowmobilers who drive without a helmet. That transgression carries a $105 fine. It is a common amount for most infractions, including failure to transfer ownership within the allotted time and driving without a licence. Failure to produce proof of insurance is much more expensive. The fine is $245. Bullerdick pointed out that snowmobiling convictions are reflected on the violator's driver's licence. That, in turn, can have an effect on insurance premiums.

"A lot of people think they can jump on a snowmobile without a care in the world or any responsibility," Bullerdick said. *(more on page 12)*

SPECIAL CONSTABLES: Five members of the Haliburton County Snowmobile Association are members of the OPP STOP team. They are seen here with HCSA past president Ken Evans (third from left) and OFSC president Bert Grant (third from right). The team members are (l to r) Earl Brickell, Chris Bullerdick, Wayne Chinnery, Leon Wright and Bill Wilson.

Most sledders know program makes trails safer

(from page 9)

If it is successful, the STOP program will help to change those attitudes.

Most sledders are very co-operative. They know that the STOP program is designed to make the trails safer.

Speed limits are also enforced. The maximum speed on the trails is 50 kilometres per hour. Bullerdick says the OPP may be providing a radar gun for some patrols this winter.

The OPP provides the training, as well as some equipment, such as handcuffs, flashlights. STOP personnel use their own snowmobiles and provide their own fuel. The Ontario Federation of Snowmobile Clubs (OFSC) provides STOP personnel with Mustang Floater Coats, which have been donated by Mustang. The officers usually have a cellular telephone with them and are able to contact the communications centre to check licences and get other information.

Bullerdick said that a trail permit is required to use OFSC trails. Those who refuse to purchase the trail pass and still use the trails can be charged with trespassing. He also noted that even off the established trail system, a driver's licence, ownership and helmet are required.

The officers are on patrol an average of 30 man-hours per month. They are required to patrol a minimum of 10 hours per month to maintain their special constable status. At least one OPP officer accompanies each patrol.

"It's a good program," Bullerdick said. "I've really enjoyed it."

ON THE TRAIL: OPP constables Dave Trepanier (left) and Robin McKay (right) are joined on snowmobile patrol by STOP members Leon Wright (second from left) and Chris Bullerdick.

HOLE-IN-ONE: Minden area golfer, Jim Saunders, aced the eighth hole at Beaverbrook Golf Course Friday, July 24. Saunders used a seven whip to score the hole in one on the 130 yard hole. He was golfing with Randy Myers, Anita Coleman and Tyler Peddick. The foursome was joined by course owner Dave Stevens. They are, left to right, Randy Myers, Anita Coleman, Jim Saunders and Tyler Peddick.

LEAGUE CHAMPS: The Thursday Afternoon Seniors' Bowling League from Minden's County Bowling Centre recently held its annual Bowling Banquet at the Wagon Wheel Restaurant. Many awards and prizes were presented amid much laughter and camaraderie. The Minden IDA Drug Store Trophy for the 1998 League Championship went to the Flying Dutchman team, consisting of Marg Albers, Addie Dykstra, Maurice Boyd and team captain Carolyn Beer (left to right). League president Ivy Bolton, the bowling centre proprietors Michelle and Scott Moore, Mark Steffenson of the Wagon Wheel and Paul Heffer of the Minden Drug Store were thanked for their support, which helped to make the season such a success. Some league members will continue to bowl throughout the summer. The 1998-99 season will get under way Thursday, September 4 at 1:30 p.m.

Water Ways:

Exploring Haliburton by Canoe

Author Susan Wilson helps you discover a side of the Haliburton Highlands known to too few.

"Susan Wilson reminds us of the wealth of natural beauty in our own back yard and shows us how to explore it for ourselves. By using the canoe, the craft indigenous to the area, she adds a sense of historical depth to these enjoyable trips which she describes so well."

John Wadland, Professor
Canadian Studies,
Trent University,
and Windy Pine, Kushog Lake

"Accurate, informative, evocative, and delightful. A great read for the armchair paddler and an excellent guide for the outdoor enthusiast."

Margery Cartwright
Portage Lake

"Thank you, thank you, thank you! We have just returned from a four-day canoe trip to Nunikani Lake . . . We had a grand time! We especially appreciated your detailed assessment of the portages. We look forward to paddling the other lakes and rivers in the future."

Eleanor and Verne Gilbert
Horseshoe Lake

Registration deadline Sunday, August 16

Annual Stanhope triathlon set for August 22

The second annual Stanhope Triathlon is set for Saturday, August 22.

Participants will have their choice of three levels of competition. The Sprint Triathlon will start at 8:30 a.m. from the Stanhope Community Centre. It will feature a 750 metre swim, 20 kilometre bike and five kilometre run. It is half the distance of a full triathlon. Participants will receive a T-shirt and prizes will be awarded.

The second level is called "Get Your Feet Wet" and it starts at 10 a.m. Participants will compete in a 375 metre swim, 10 kilometre bike and 2.5 kilometre run. This level is recommended for those who wish to try their first triathlon. "This is one you can do and live to tell your friends about," boasts the promotional flyer. A T-shirt, prizes and a sense of satisfaction await the participants.

The third level is for the younger athlete, or the very young at heart. This race guarantees a prize for all participants under 16 years of age. Billed as the "Kid-Sized Triathlon," it will feature a 100 metre swim, three kilometre bike and one kilometre run.

The registration fee is $20 and the deadline for registering is Sunday, August 16 at 4 p.m. in Carnarvon at Four Seasons Food Mart or at the Stanhope Municipal Office; the Shopping Centre in West Guilford; Glen Sharpley Sports in Haliburton; and in Minden at the Chamber of Commerce or Jadek Sports.

Participants' information packages will be available before August 16.

For those with an interest in the event, but who are unable to participate, organizers would welcome volunteers to help out at water stations, with timing and route directors.

Fore information, contact Lois Foster at 454-8682 or Carrie Martin at 489-4297 or 905-569-2119. Martin can also be contacted by e-mail at: carrie.martin@geis.ge.com

Proceeds from the event will go to the Stanhope Volunteer Fire Department.

Stanhope looking for volunteer support

Wanted: Hard working individuals to assist with clean up task. Must be available August 15 when entire Stanhope Township will be the target.

Bill Jamieson is looking for a little help from his fellow Stanhope residents. Bill is the chair of the township's Environment Committee, a group that has set August 15 as the day for the clean-up effort across the township.

"We are hoping people will clean up their own property and gather litter along public roads as well." Jamieson said. The invitation to get involved has been circulated among permanent residents and lake associations.

Jamieson has asked that anyone interested in policing a portion of public property check with the Stanhope Municipal office (489-2379) where the work teams will be co-ordinated. Anyone looking for more information can contact Bill at 489-3209.

Fire caution

Due to the lack of rainfall in the area, conditions are extremely dry, resulting in dangerous burning conditions. The municipalities of Somerville and Laxton, Digby and Longford urge everyone to exercise extreme caution with fires. The MNR has declared a Restricted Fire Zone for our area therefore no open burning is allowed.

However, it you wish to cook, you must use an approved portable stove or charcoal installation. Campfires for cooking and warmth may be used in approved organized campgrounds.

Please check with campground operators to see if they are approved and are permitting campfires.

The Restricted Fire Zone is in effect until July 28.

WISE BUYERS READ THE LEGAL COPY. *0% financing on all in-stock new 1998 Ford Escort (Sedan and Wagon), ZX2, Mustang (Coupe and GT), Contour, Taurus, Ranger (4x4 and 4x2), Windstar, Explorer (2-Dr. and 4-Dr.), F-Series (under 8,500 lb GVW – V6/V8 auto.) and Mercury Mystique, Sable and Villager for a maximum of 36 months on approved credit to qualified customers. CHRYSLER FIVE STAR SERVICE ★★★★★ GOLDKey — Dodge — CHRYSLER Dodge Dodge Trucks — CHRYSLER Plymouth Jeep | Eagle

As dangerous as the Spanish bull runs

(from page 9)

hazardous situation. The South Kashagawigamog Road is one of the prettiest drives, and walks, along the lake and is not built to accommodate such heavy traffic - nor should it if the area is to maintain its past attraction as a summer and residential and tourist holiday area. It is not safe for children or adults to venture out to the neighbourhood store or Kash Cafe, or even cross the road to the lake. The morning rides, jaunts or walks are as dangerous as the Spanish bull runs.

The noise and truck fumes are a real threat to safety, health and sanity. The roar of these trucks is constant as they sedately rattle and roar along.

It would be interesting to know how attractive this area is now for rural residential development. There seem to be several lovely old properties on this road that have been vacant or for sale for years. Why?

I'm not wasting any more of my limited "holiday" time by taking a petition to local residents or visitors, but, by conversations, realize this feeling of invasion of rights is wide-spread. The noise of constant heavy trucking has been the norm for the two weeks we have been here. This is the peak of the summer season and the time most travelled by pedestrians, young and old.

How can this situation be permitted when we are being warned by the reeves of Minden and Dysart at a recent Lake Kashagawigamog Organization meeting that we will shortly and in years to come be paying dearly for the "privilege"of living in such an idyllic setting where taxes for lake frontages are expected to be substantially increased.

"An Insurance Broker To Serve You"

Merger-integration model suggested for health units

by Duff McCutcheon

The final report regarding the amalgamation of the Haliburton, Kawartha and Pine Ridge (HKPR) District Health Unit with the Peterborough County/City Health Unit leaves a little to be desired according to HKPR Medical Officer of Health Dr. Huckowich in Port Hope.

Since the province down-loaded 100 per cent of public health costs to municipalities, local governments across Ontario have been scrambling to find ways to cover service costs. The two area health units have been flirting with the idea of amalgamating and hired Deloitte and Touche Management Solutions to study the pros, cons and various options available to the two organizations. Unfortunately, according to Dr. Huckowich, the final report fails to address when cost savings will be realized and how the two health units will merge (should they agree to that course of action).

"We're pleased that Deloitte and Touche rejected the Peterborough proposal," said Huckowich, "but otherwise you have to take their conclusions at face value."

The Peterborough Proposal, offered by Peterborogh County/City Health Unit, would extend the current Peterborough organizational model to both health units, and would share common support services as a means of reducing joint costs. While Deloitte and Touche noted Peterborough's successful track record, they also pointed to a number of sticking points which would make such a take-over rather contentious for the HKPR health unit and its clients. There would be, noted Deloitte and Touche, a disproportionate focus on Peterborough and a $3.00 surcharge levied on HKPR residents, among other issues.

The Deloitte and Touche report suggests a "clean-sheet" merger-integration option which would see Board of Health representatives from each of the five counties who would oversee an executive team including a Medical Officer of Health, a director of regional service delivery, a director of program planning and coordination and a director of administration. The front line staff, working in Peterborough, Haliburton, Lindsay and Port hope, and in various public health fields like chronic diseases, family health, community health, infectious disease and administration, would answer to the executive team.

This plan, according to Deloitte and Touche, has the potential to save in excess of $1,000,000 in management, administrative support and space costs; provides the opportunity to maintain or increase efficiency of program delivery; and ensures communities across the four counties and city receive the public health services they need. The savings, unfortunately, would come at a cost of 19 jobs.

Though it beats the Peterborough Proposal, Dr. Huckowich, expressed some concerns regarding the Deloitte and Touche merger integration option. "You have to realize that these consultants looked primarily at the accounting end of things," he explained. "They spent a total of four days at our health unit and didn't go to any of the local offices even when it was suggested to them a number of times. They didn't do any program evaluations but say in their report that their guiding principles are that mandatory programs be met."

And as for the costs," he continued, "they say there is the potential for a million dollars in savings if we manage the integration properly but give only vague ideas on how to do this."

Ultimately, any integration is up to the four counties and city, as well as the Province. "The five municipalities will have to decide whether they want to share one health unit," said Dr. Huckowich, "and the provincial government is going to have to change the regulations which govern health unit boundaries and the board compositions of health units."

Fines levied for not showing dump card, illegal dumping

Repeated refusal to produce a landfill user card and continuing to place household garbage in municipal garbage containers after being warned to stop doing so has resulted in fines levied against some Anson, Hindon and Minden property owners.

Public works superintendent Clayton Cameron laid charges under authority as deputy by-law enforcement officer for the municipality, after repeated attempts to solve the problem out of court.

The offenders appeared in court last week, where they pleaded guilty and were fined $200 each.

"We have taken many steps to try to resolve these issues before charges were laid," said deputy-reeve Jerry Rome. He added that it was gratifying that the courts have upheld the municipal by-laws.

Cameron noted that Justice of the Peace Bill Jackman told the offenders that if they returned to his courtroom facing similar charges, the fines would be much higher.

Minden to be featured on popular children's program

Minden will be featured on a national children's show in August thanks to the artistic skills of a ten year old resident. Julie Snell will be in the televison spotlight, along with her hometown of Minden in a short presentation on Master Control.

"I just sent in a drawing of Winnie the Pooh and they called me," said Snell. Master Control is a kids' television show on the Baton Broadcasting System, which showcases Winnie the Pooh cartoons and many others. Every week, the show highlights children from across Canada and the community in which they live.

Last week Julie and her mother Cathy were touring and video taping their favourite places in Minden and area, including the County Town Museum, Lake Kashagawigamog, Kawartha Dairy (because of the ice cream cones, of course), the Wild Water Preserve, Archie Stouffer Elementary School and the panoramic view over the community from Pike's Peak.

"You have to pick eight or nine of your favourite places," said Julie. "It's really exciting."

Cathy Snell is also having fun, helping her daughter tell the rest of Canada about life in Minden. "We started at the Minden sign on the highway and are going all around Minden," said Snell.

Julie and Cathy's video will be aired on the CTV network on August 15. Master Control can be seen between 10:30 and 11:30 a.m. The Minden segment will likely air during the first half of the show.

Julie Snell and her mother Cathy have been capturing the community on video tape for a segment on Minden which will appear on the children's program Master Control.

Trent-Severn report

Since July 13, the lakes received one rainfall which varied from a trace in some locales to over 18 millimetres in others. In Haliburton, the lakes continued their decline reaching 72.1 per cent on July 20 from 75.3 per cent last week. This 3.2 per cent decline is very near the normal for this time of year. The Haliburton areas lakes, however have not recovered to normal, running about nine per cent lower than average for this date.

In the week following the large rain of June 25/26, the Haliburton lakes stayed at the same percentage, but the early onset of the dry weather has resulted in lower levels being reached earlier all summer so far.

The Kawarthas are generally in range or with a slight surplus and flows to the Otonabee are at a minimum.

Although lakes Simcoe and Couchiching are about five centimetres above their rule curve they are now experiencing a downward trend, similar to their usual pattern. They are still benefitting from the large rain at the end of June.

This report was prepared by Trent-Severn Waterway staff, July 21, 1998.

Collections, quilts & fibres

The second annual Quilt, Rug and Fibre Art Show at the Minden Community Centre attracted a steady stream of spectators Saturday and Sunday. In addition to the many lovely quilts and rugs, local crafts and an eclectic mixture of "collections" were on display. Included in the latter was the extensive collection of salt and pepper shakers, above, gathered by Zelda Cooper. At the top left, Madison Hodgson of Minden demonstrates how to make a "toothbrush rug". She is working on a project started by Fiona McFarland. At the right, Joanne Farrow and Marny Cherrington of the Gravenhurst Rug Hookers work on their projects. Below left, one of the many quilts on display draws admiring glances from show visitors. The show was sponsored by the Minden County Town Museum Committee.

Riverside sculpture dedicated

It was community dedication and hard work that led to the ceremony of the Minden Sculptural Landmark on July 24. A small ceremony was held by the bridge to thank the volunteers and the community for their input in creating the sculpture.

Andy Campbell, of the Haliburton County Development Corporation, was pleased to see the first stages of the project brought to completion. There are six such visual arts pieces to be placed at significant areas in the county. The first two have been placed in Haliburton and Minden, while four more in Cardiff, Gooderham, West Guilford and Dorset are still in the planning stages.

Each piece is designed from suggestions of concerned community members. Both the Haliburton and Minden pieces were created by Sam Moligian, a North Bay artist who has taught at the Sir Sandford Fleming School of Fine Arts. The hope is that the pieces will enhance the reputation of Haliburton County as a significant visual arts community. " The arts community has made a significant contribution both economically and culturally to the community," said Campbell. "We at the Haliburton County Development Corporation have formed a committee to study how we can enhance the arts in the community. The arts committee is responsible for the creation of the visual arts project."

Also on hand for the dedication was Member of Parliament for Haliburton-Victoria-Brock, John O'Reilly. He congratulated the volunteers who worked on the project for their vision. "It's great to be here and to be a part of this. I am excited about all of the work going on in the county and I have to give thanks to all of the volunteers that have worked on this. Hopefully this will mean having extra people coming to the county," said O'Reilly.

Deputy Reeve Jerry Rome also congratulated the volunteers for their efforts. "I welcome everyone who had the vision to do this and to stick with it through its completion," said Rome. "I'm quite happy to see that it is here." Rome also mentioned the involvement of the municipality, as it donated the rock bases for the piece as well as the property on which they are placed.

The Minden piece is a metal relief of trees, that symbolizes the area's dependence on the natural environment. It is placed at the corner of Main Street and North Water Street, beside the bridge.

The committee members of the Home and Garden tour has so many to thank for making out third annual tour another outstanding success!! Our biggest thanks goes out to the hosts for opening their homes and gardens to raise money for the Minden Hospital Building Fund. Paul and Linnea Baynton, Arlene and Rae Holden, Hilary Brown and Leo Sepa, Anne Richmond, Dave and Laura Willis, Donna Wallace and Ed and Lynn Hancock were all most gracious hosts and every place was glorious in it's own unique way. All the volunteers at each of the homes helped make the day proceed smoothly.

Thank-you to Robert Bateman for donating one of his prints to the committee for the purpose of fundraising. That print is one of the prizes to be won from the tickets being sold by the Haliburton Health Services Foundation.

Walter Barnes and his group of musicians made the visit to the Hancock's a wonderful experience by playing music down by the lake.

The Women's Institute supplied tasty delectables at the museum as a fund raiser for their group.

Cheryl Lafferty created some beautiful tiles as thank you gifts for the hosts.

Lee Gauthier of Austin Realty has donated sign holders to our committee and Bob Austin came through at the last minute with more when we needed some extra ones.

John Hill at County Sign and Display came through at the last minute also when we needed new numbers on the sign at Home Hardware.

Our ticket sellers did a bang-up job getting the tickets sold. The Chamber of Commerce, the IDA in Minden, Norland Trading Post, Campbell's Florists, Undercover Books in Haliburton, Hair Cair in Carnarvon, The Red Umbrella Inn, Oldhams Inn, Gambell's Antiques and Miner's Bay Lodge.

As outgoing chair of the committee, I would like to thank all the members of our team. We work so well together. Everyone brings their own talents to the effort and the tour shines on the day!! Thank you to Jeanne Anthon, Pat Campbell, Dianne Graham, Gail La Berge, Marion Mandel and Irene Rahme.

Thank you to all of you who bought tickets and went on the tour. We appreciate you patronage and hope you enjoyed yourself...

See you all next year on July 17, 1999!!! Everything will be new again!!

Nora Snyder, Chair.

LAPIDARY ROCKS: Mountain Lake cottagers Amy and Kyle Quackenbush try their hands at lapidary at the Leslie Frost Centre, while mom Helen keeps an eye on the progress. The three hour classes are taught by artist Susan Lowery and are open to children and adults every Thursday until September. "Lapidary is both an art and a science," said Lowery. "It relates to the various characteristics of the rocks and minerals, but it also refers to what any jeweller or someone who works with rocks might do with them." For a $10 fee, students can choose a mineral specimen, cut it to size, then grind, smooth and polish their way to a lovely mineral fit for a key chain, necklace or other jewellery. To register call the Frost Centre at 766-2451.

Emergency House redefining its role

--submitted--

Women and children in Haliburton County no longer have access to emergency housing.

The Women's Emergency House closed April 30, 1998. Since then a focus group of staff, volunteers and supporters have been discussing lessons learned from three years of successful operation as well as how services can be re-established in the County. Some of our conclusions follow:

- Women's Emergency House provided a needed and successful service for abused women and their children in the county.
- Those accessing the House found the time, space and help they needed in order to heal and reorganize their lives.
- Volunteers were trained and their support and compassion became a cornerstone of the operation.
- As services became better known, use of the house, and the load on volunteers, steadily increased. The original intent that the House function only with volunteer workers and funds generated in the community thus proved overly optimistic.
- The Focus Group now realizes that providing shelter for abused women and their children requires a core of caring, professional paid workers.

We are now designing a new model that will have a core of staff paid through assured, on-going funding. Community fund raising and volunteers, while remaining integral to the service, will not be expected to carry the whole weight. The focus group is also looking at ways of securing permanent public sector funding, and increasing the funding base through building on the skills and experience gained in the operation of the House. The uses of Emergency House could well be expanded to include the training of volunteers, therapy for the children of abused women, and the operation of a 24 hour emergency telephone line shared by other agencies in the County. The Focus Group will be open to other suggestions from the community as well. This Thursday, July 23rd, we will consider incorporating as non-profit community co-operative as another step in the long term re-organization of the House. We hope to have a proposal for bridge funding completed in the near future.

In the interim, any funds raised for Women's Emergency House will be managed by the Peterborough YWCA. We continue to meet Thursdays, 4:30 p.m., at the Women's Resource Centre in the Halco Plaza, Haliburton. Meetings are open to everyone. Please come if you are interested.

New exec. takes over at Minden Rotary

The Minden Rotary Club has had a busy few weeks as the club ushered in a new president and received greetings and encouragement from the new District Governor. With these new beginnings, the club hopes to have a very successful year as it attempt to better it's fund-raising and membership.

On June 29, Tara Lowe completed her term as president of the club. Rotarian Ethel Muli takes her place as the new president. Lowe gave her final speech as president. She reminisced about the success of the club over the past year and congratulated the group on its tremendous accomplishments, especially considering its small size. "I'm really fortunate to have a wonderful executive and a club of doers, which is great for a small club," said Lowe. "Any success we have had is due to everyone."

Lowe also reviewed her past year and what she felt were her successes. She stated that she had tried to focus on three areas of concern — youth on the street, the hospital foundation and economic development in Minden and area. Lowe feels that she has accomplished some work on each of these goals: through the Club's work with the youth centre, Protocol; fund- raising for the new hospital and the fire department's rescue sleigh, the mural project and the new business welcome packages, designed by the Rotary club.

After thanking Lowe for her work throughout last year, Muli introduced the new executive. Along with Muli and Lowe serving as President and Past President respectively, the executive includes Treasurer Terry Carr, Sergeant-At-Arms Ed Pergolas, Secretary Gord Graham and Directors Rick Stuckless and John Kerr.

At the meeting the following week, the new District Rotary Governor, Floyd Hill spoke on the direction of the club and what to strive for in the future. Hill also spoke about his concerns for the community and those members who may not always be able to help themselves, including youth and the elderly.

Hill also stressed the importance of maintaining the Rotary Club's pleasant and enjoyable atmosphere. "Rotary should always be fun. Keep Rotary fun and never let it be drudgery," said Hill.

He also put forth a challenge to his fellow Rotarians. He hopes that the number of people who join Rotary increases in the upcoming year." Brag about the fact that you are a Rotarian," said Hill. "When you go to work or church wear a pin."

In one of her first official acts as president, Ethel Muli presented Floyd Hill with a donation for Rotary International. "Thank you for your words of wisdom," said Muli.

The Rotary Club has several fund-raising plans in the works for the upcoming year, including the $1,000 raffle and bingo.

The Minden Rotary Club was visited by the new District Governor Floyd Hill left, and his wife Judy. New Rotary President Ethel Muli displays a banner with this year's Rotary theme, "Follow Your Rotary Dream",with the help of Ron Strickland, the District Governor Representative.

Man dead following mishap with power drill

A Haliburton County man is dead after an accident on July 15 at the Fort Irwin Marina on Haliburton Lake. According to the OPP, a man who was repairing a pontoon boat with a corded power drill was seriously injured.

Witnesses stated that he appeared to have received an electrical shock and collapsed. Christopher John Martin 37, was pronounced dead on arrival at the Haliburton Hospital.

A post mortem was held on Friday to determine the cause of death. The Ministry of Labour is assisting the Minden OPP with the investigation.

OPP Victims of Vandalism

The Minden detachment has had a bit of bad luck recently as both a cruiser and the marine unit were vandalized.

On July 7, a cruiser parked at Curry Motors in Haliburton for repairs sustained serious damage. At some point that evening the roof, windshield, emergency lights, driver's side mirror and the door of the cruiser were broken. Damage is estimated at $3,900.

On July 15, the detachment's marine unit was spray painted at the Ministry of Transportation garage on Highway 35 south of Minden. Damage in this case is estimated at $2,500. The Minden detachment ask that anyone with information regarding these cases should call the Minden office or Crime Stoppers at 1-800-461-8477.

Helping the hospital

The Lake Kashagawigamog Association has donated $500 to the Haliburton Health Services Foundation. The gift was presented by association president John Hincks, left, to Foundation vice president Ray Selbie, at the association's annual meeting earlier this month.

Equipment fund benefits from Lioness drive

The Minden Lioness Club had a successful fundraising drive during the Canada Day weekend. Members of the club asked for donations throughout Friday and Saturday at the Minden Liquor Store, and managed to raise $1,300.50 for the Minden Hospital Medical Equipment Fund. This money will go to purchasing medical equipment for the hospital, but it has not yet been determined what this year's equipment list will entail.

According to Lioness Kelly Moore, those who donated were very generous, including one person who gave a $100 bill. Moore stressed that all donations, regardless of size were greatly appreciated and will go to a worthwhile cause.

Art in the park

Art moved out of doors this weekend in Haliburton as the community hosted the annual Artisans' summer sale. Shoppers enjoyed strolling past the many tents and displays in Head Lake Park, right. Noah Robins, below, of Ajax studies the workmanship of wooden boxes. Dozens of displays of jewellery, clothing, crafts, paintings and much more were the featured at the weekend sale.

Pair charged after 4000 plants seized

The Minden Detachment of the Ontario Provincial Police in conjunction with the Drug Unit for Central Ontario have charged two men in connection with a drug bust in Stanhope Township.

Randal Bond 40, of Norland and Stephen Gibson 41, of Willow Beach have been charged with several drug, property and firearms offences.

The combined forces executed a search warrant at a property in Stanhope Township on July 15. At that time, approximately 4,000 marijuana plants were seized, along with a stolen vehicle. Bond and Gibson appeared at a bail hearing the following day.

A great week to introduce youngsters to the fun of fishing

Queen's Park Report
by Chris Hodgson, MPP

We're quickly approaching one of my favourite times of year.

The week of August 1 to 9 is *Take a Kid Fishing Week*. It's a great opportunity to introduce kids to the joys of fishing and the outdoors.

I'm sure many of us remember the fun and excitement we felt when we went fishing as kids. Take a Kid Fishing Week helps our kids capture that same sense of excitment.

Actually, Take a Kid Fishing Week was something we introduced last year, when I was Minister of Natural Resources, and it has continued under Minster John Snobelen. The idea came from our Fish and Wildlife Advisory Board, and it was a good one.

During Take a Kid Fishing Week, all regular fishing applications still apply. As always, kids under 18 can fish without an Ontario fishing licence (as can adults 65 or older).

What makes this week different is the particular attention paid to the kids. We actively work to promote the week and try to introduce fishing to as many kids as possible. The week helps remind people of the importance of family togetherness and fun.

It also helps young people to learn to love the outdoors.

When we take our kids fishing, we are teaching them - in a fun way - about aquatic life and the province's natural resources. We are also teaching them about safe boating, conservation and respecting the environment.

These are important lessons. We all know how important it is to preserve and maintain our wildlife and our natural environment. Everyone should have a healthy respect for the great outdoors we have in Ontario.

You can't start too young. Take A Kid Fishing Week is an ideal time to help young people develop that same respect for Ontario's wonders.

If you wish to get more information or a fishing information package, please call 1-800-667-1940. The package includes a "how to" booklet on taking kids fishing, a sticker, a personalized certificate, fun activities for kids to try and a card identifying fish you might see and catch.

New president looking for member support

Bonjour.

July is just about over, signifying summer is half gone. It has been an hot July with a lot of fierce storms and a lot of damage done. Power was out all over the place.

The worst disaster I've heard of, came from the Joe and Casey Cox farm. It was Thursday, July 2, approximately midnight, when possibly the worst thunder and lightning storm struck the apple yard. Joe and Casey found the bodies of 24 of their animals all laying in a pile among the apple trees.

Because of the death by electrocution, the meat was totally unsalvageable and was disposed of on Friday. The Royal Canadian Legion is extending its grief to the Cox boys for their loss.

Coming Events

Coming up for August - The Dining Room will closed for Monday but the Legion and Bar are open.

Tuesday, August 4 - Euchre 1:30 to 3:30 p.m.

Wednesday, August 5 - Meat Draw

Wednesday, August 5 - General Meeting 7:30 p.m. sharp

Thursday, August 6 - Euchre from 7:30 to 10:30 p.m.

Sunday, August 9 - Big Buck Euchre $10 per person. Lunch at noon and games start at 100 p.m.

Saturday, August 15 - Haliburton County Fair at the Minden Fair Grounds - The Legion will provide a colour party in which the Branch and Ladies Auxiliary are participating. The branch will also be hosting the hospitality tent.

Wednesday, August 19 - Trivia Night 7:30 p.m. sharp

Sunday, August 23 - Official Opening of the new Ontario Command office in Aurora

Saturday, August 29 - Ladies Auxiliary Penny Sale (a dollar per card) 1:00 p.m. Home baking sale and book sale starts at 9:00 a.m.

Service Clubs

by Alan (Cub) Coneybeare

A Message From Our President

As the new President for Branch 636, I would like to meet as many of our members as possible.

We are always looking for volunteers to help with every day events as well as special events. Just a reminder that we still have a few tickets for our Annual Meat Draw, which will take place at our booth at the Haliburton County Fair. The draw will take place Sunday, August 16 at 3:00 p.m. Drop by Saturday or Sunday and say hello!

Our next General Meeting will be held Wednesday, August 5 at 7:30 p.m. I would also like to mention the Big Buck Euchre to take place Sunday August 9.

If you have any suggestions for things you would like to see happen at the Branch, please give me a call and we'll discuss it.

Enjoy the rest of the summer and I'll see you at the branch! *Francine Newton*

Thanks Francine! This lady needs all the help she can get. Let's all get behind this worthy lady.

New Legion President Francine Newton.

Cub's chuckles

"Hey Doris" Mike said after dinner one evening. "What do you say we try a different position?"

"Fine," his wife replied. "Why don't you stand by the ironing board, while I sit on the couch, drink a beer and scratch my belly?"

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

PUBLIC NOTICE

File # SR-22/97

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Gull Lake, lying in front of Part of Lot 23, Concession 6, and being more particularly described as Part 1 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6498.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 13th day of August, 1998, at the hour of 4:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.
DATED at the Township of Lutterworth this 6th day of July, 1998.

Mary Jane Irwin, A.M.C.T.,
Clerk-Treasurer,
Township of Lutterworth,

Eagle Lake Food Town birthday bash

Allan Bagg hosted a giant birthday party last week in Eagle Lake. The occasion was the thirtieth anniversary of his Eagle Lake Food Town grocery store. Hundreds of customers and friends were on hand to enjoy a beef on a bun dinner with all the trimming and, of course, a slice of birthday cake. Allan Bagg, right, helped serve the many customers who attended the celebration.

If you've been getting a busy signal...

we're sorry.

We know that many of our customers have been trying to call us about billing services and power outages. And, we realize that many of you have not been able to get through... even on your second or third try.

Here's why you may be having trouble reaching us.

With our switch to a new bill and new payment schedules, along with our regular daily service inquiries, we are experiencing an unprecedented, high number of calls to our Customer Communications Centre. Although we did add staff to handle more calls than usual, we are unable to keep up with the high number of calls coming in.

For this, we'd like to apologize to each and every caller.

We know that many customers have waited a long time to speak to a customer service representative... that others gave up while on hold... and that many more of you simply can't get through to us.

Don't worry if you can't get through.

We are doing our best to keep up and answer as many calls as we can. In the meantime, we'd like to assure you that you won't incur any additional charges as a result of delays in reaching us. Our customer service representatives will make sure that you are treated fairly and that any questions you may have are answered.

Again, we are sorry for any inconvenience.

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

VOLUNTEERS WANTED

If you have some time to donate to your community, Lutterworth Township needs volunteers to be part of a Community Fire Safety Team. The team will make recommendations to Council on a program for public education about fire safety and fire prevention; and will implement the program in Lutterworth Township. A background in education or in fire suppression or prevention would be an asset, but is not a requirement. Please submit applications by August 7th, 1998 to:

Awards presented

Kinmount Lions install 1998-99 officers

Service Clubs
Kinmount & District Lions Club

The Kinmount and District Lions Club finished the year 1997-98 by holding its installation of officers night ion June 16.

The new board was sworn in by Region Chairman Lion Wally MacKinnon.

The new executives for the term of 1998-99 includes: President - Christina Weerdenburg; Past President - Dale Smith; First Vice President - Tony Weerdenburg; Second Vice President - Vic Ballik; Third Vice President - Grant Crofts; Secretary - David Anderson; Treasurer - Michelle Barkwell; Tail Twister - Walter Leveck; Lion Tamer - Doug King; One Year Directors - Kevin Hill and Gord Tait; Two Year Directors - Bill Hartin and Darlene Smith; Membership Director Vince Leveck.

The evening consisted of a lovely dinner at the Northwood Restaurant. The club was presented with a picture of the Kinmount Knights Hockey club, by Dave and Holly Lougheed.

Lion Doug King was presented with Lion of the Year Awardfor his club.

The 1998-99 year is already busy for the club. We have worked at our Dunk Tank at the Eagle Lake Rhubarb Festival and will also be at Gooderham's Horseshoe Days and the Salerno Lake Regatta. Anyone wishing to use the Dunk Tank for a fund raiser should call Lion Vince Leveck at 705-447-2955. We also had a fundraising toll booth on the Canada Day weekend.

There are also super draw tickets which are available from any Kinmount Lion. There will be a bingo held on the Thursday night of the Kinmount Fair. We have also made donations to the Coboconk Food Bank.

The Lions Foundation of Canada and the "I Can" awards were donated to the Gooderham Elementary School, to be presented to a student. The membership in the club is growing with two new members, Diane Springstein and Greg Parrott. The club is looking forward to its new year, 1998-99 to help its community.

Doug King is presented with the Lion of the Year Award by the Kinmount and District Lions Club President Chris Weerdenburg.

NOTICE

(File No. SRA-98-01)

IN THE MATTER OF the Municipal Act; and

IN THE MATTER OF a proposed by-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowner, portions of the original allowance for road along the shore of Mountain Lake, lying in front of Part Lot 7, Concession 8, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 300(1) (a) of the Municipal Act, R.S.O. 1990, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider, and if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on August 13, 1998 at the hour of 10:00 a.m., a by-law to stop up, close and convey those parcels of land more particularly described as follows:-

Parts of the original allowance for road along the shore of Mountain Lake, lying in front of Part Lot 7, Concession 8, Township of Minden, designated as Part 1 on a Plan of Survey by Harry Curry Bishop Limited, Ontario Land Surveyors, dated April 24, 1998.

The plan of survey is available for inspection in the Municipal Office, at Minden, Ontario during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said by-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person, or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said by-law and who applies to be heard.

THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE OF PASSING OF BY-LAW NO. 98-36

TAKE NOTICE, that the Council of The Corporation of the Townships of Anson, Hindon and Minden passed By-law No. 98-36 on the 23rd day of July, 1998 pursuant to Section 34 of the Planning Act, R.S.O. 1990, c.P.13, as amended.

AND TAKE NOTICE, that only individuals, corporations or public bodies may appeal to the Ontario Municipal Board in respect of the By-law by filing with the Clerk, of the Townships of Anson, Hindon and Minden, not later than the 16th day of August, 1998, a Notice of Appeal setting out the objection to the By-law and the reasons in support of the objection, accompanied with the fee prescribed under the Ontario Municipal Board Act. A Notice of Appeal may not be filed by an unincorporated association or group. However, a Notice of Appeal may be filed in the name of an individual who is a member of the association or group on its behalf.

Note: As the last day of appeal falls on a holiday, appeals may be filed on the day following, that is not a holiday.

THE PURPOSE of the amendment is to change the zoning category on approximately .35 hectares (.87 acres) of land, located at 65 North Water Street, at Part of Lot 4, Concession A. Township of Minden, from Residential First Density (R1) Zone to Residential First Density Exception thirty-six (R1*36) Zone.

THE EFFECT of the zoning change is to permit a bed and breakfast establishment having twelve (12) rooms and an illuminated advertising sign of .46 square metres (5 square feet).

THE LAND affected by the amendment is shown on the Key Map as the "Land Rezoned".

A copy of the complete By-law is available for review at the Municipal Office during regular office hours.

July 27, 1998

CORPORATION OF THE COUNTY OF VICTORIA

OPEN HOUSE SESSIONS AND PUBLIC MEETING

CONCERNING THE UPDATE OF THE OFFICIAL PLAN OF THE COUNTY OF VICTORIA (P02-16-030)

TAKE NOTICE THAT the Planning Advisory Committee, on behalf of the Council of the Corporation of the County of Victoria, will hold two Public Open House Sessions on Thursday, July 30, 1998. The first of the two sessions will be held at 2:00 p.m. in the Victoria Room, at the County of Victoria Administration Building located at 26 Francis Street, Lindsay, Ontario. The second of the two sessions will be held at 7:00 p.m., of the same day, July 30, 1998, at the Coboconk Community Centre in Coboconk. The format of these sessions will include a brief presentation by Planning staff, at the commencement of each Open House, to outline the nature and effect of the proposed amendments to update the Victoria County Official Plan. This presentation will be followed by an opportunity to ask questions or offer comments relative to the proposed update of the Official Plan.

TAKE FURTHER NOTICE THAT the Planning Advisory Committee, on behalf of the Council of the Corporation of the County of Victoria, will hold a formal Public Meeting on September 4, 1998, at 2:00 p.m. in the Victoria Room, at the County of Victoria Administration Building located at 26 Francis Street, Lindsay, Ontario. The Public Meeting will follow a structured format and may not include a presentation on the proposed amendments. The purpose of the Formal Public Meeting will be to hear and receive submissions to the County in respect of the proposed amendments.

The County is proposing to update the Official Plan in a number of areas. For the purposes of convenience the proposed Amendments have been grouped under one of four headings: Housing; Transportation; Aggregates; and General. The general purpose of each amendment is outlined below.

Housing: The purpose of this portion of the Amendment is to update the housing and housing related policies of the Victoria County Official Plan to reflect the findings of the County Housing Statement and the Province's Comprehensive Set of Policy Statements. The Amendment also addresses servicing policies relevant to housing.

Aggregates: The purpose of this portion of the proposed Official Plan Amendment is to change the land use designations and policies of the Victoria County Official Plan as they relate to pits and quarries.

Transportation: the purpose of this portion of the Amendment is to revise and update the text of the County Official Plan, establish new policies pertaining to transportation, and to revise and add new Transportation Schedules which will include identification of Haul routes.

General: The purpose of this portion of the Amendment is to reflect changes in Provincial Land Use Planning Policies, update the planning horizon of the Plan and address necessary changes which have general application and are not specifically addressed by the portions of the Official Plan Update dealing with Housing, Aggregates or Transportation.

A Key Map showing the location of the lands subject to the Official Plan Amendment is not attached since the proposed amendments have the potential to affect lands in all municipalities within the County of Victoria.

Details of when additional information, relating to the proposed Official Plan Update Amendments, will be made available and how it may be obtained shall be provided at the Open House Sessions.

If you wish to be notified of the decisions of the County of Victoria in respect of these proposed Official Plan Update Amendments, you must make a written request, to the County of Victoria. Please provide your name, address and postal code either on the appropriate form at the Public Meeting or by mailing such request to the address provided below.

If a person or public body that files a notice of appeal of a decision of the County of Victoria in respect of the proposed Official Plan Amendment does not make oral submissions at the public meeting or make written submissions to the County of Victoria before the proposed Official Plan Amendment is approved or refused, the Ontario Municipal Board may dismiss all or part of the appeal.

Our records, at this time, indicate that there are no Applications for Official Plan Amendment, Plans of Subdivision, Consent, Re-zoning, Minor Variances or Minister's Zoning Orders related to the proposed amendments.

ANY PERSON MAY attend the Open House sessions and the Public Meeting and/or make written or verbal representation either in support of or in opposition to the proposed Official Plan Update Amendments. At the public meeting presentations that would take longer than ten minutes should be presented in written form and summarized verbally. All submissions received prior to or at the Public Meeting will be considered by Planning Advisory committee prior to a recommendation being made to County Council

Construction adventure continues at Hyland Crest

Senior League
by the Roving Reporters

Confusion reigns supreme at our home with construction going on everywhere, which makes it a little bewildering for some of us. However there is always help at hand, thank goodness. We have been told that this part of the construction is almost finished. Then the real fun begins.

Many of us will be moved to other areas so more construction can begin. Sounds like fun, doesn't it? One of these days when you come to visit you may have to hunt for us, but rest assured we will be here waiting for you somewhere, just keep looking.

We enjoyed out tea party last week. The Minden Shufflers hosted and what a pleasant group of people they were. They treated us very well and we thoroughly enjoyed the treats they brought us. We send out thank to them. That evening we once again enjoyed our "quiet time" now that Donna is back from her vacation. She shared some memories of her trip to the East Coast with us and we enjoyed the photos she brought with her. We were glad to have her back with us again as we do enjoy the program.

During our Happy Hour on Friday, we entertained ourselves with a quiz remembering advertising slogans over the years. We sure had fun with that one.

There were quite a few visitors again over the weekend. We were pleased to have a chat with Doris Brown whom we haven't seen recently. It was good to see her looking well. She told us she is keeping very busy. Doris also told us that Beth Parker underwent surgery recently. We were unaware of this, but glad to hear that she is progressing nicely. We send our get well wishes to her for a full recovery. We noticed Lottie Edwards visiting with her son Rick. Wanda was in to see her hubby Ira Carter and Mary McCallum had a visit with her hubby. We were glad to hear that Ed and Peggy Pettinger enjoyed their 60th anniversary celebration.

On Monday, a full bus took off for the community centre where a group of us attended the municipal tea. Members of council attended and Reeve Jean Anthon welcomed us. It made for a pleasant afternoon and we thank council for inviting us and staff and volunteers who came along to assist. Without our staff and volunteers these outings would not be possible, for quite a few of us are not as mobile as others.

Our patio is really being enjoyed this summer. On Wednesday afternoon many of us gathered there to enjoy our "Garden Party Trivia". We remembered past garden parties, the different foods we enjoyed, and how the foods differed depending on what season it was. Of course, as usual, the subject expanded and we began talking about the different vegetables we used to grow in our gardens and the many excursions for picking of berries - raspberries, blackberries, blueberries. Some of us even remembered gooseberries. How many of you have eaten gooseberries? You don't seem to hear of them much any more. Anyway, needless to say we had fun with this trivia and enjoyed some great iced tea and cookies as well. That evening, In Harmony was here to entertain us. We thank them for giving of their time.

It's that time again, another Thursday. Almost time to sign off. Today is our weekly tea party and we are looking forward to the Carnarvon UCW, scheduled to host this week.

Before we go we have a few messages to send.

- We welcome Jennie Sisson to our nursing staff.
- Welcome to our newest resident. Vernon Morrow.
- Happy Birthday Wishes to Ed McCann, who celebrates on July 31.
- Congratulations to Sheamus Donnery for winning the Chancellor's Scholarship at Queens University where he will be attending in the fall.

When you come to our home, just look to the right just before you enter and you will see Laura's corner of roses. They have been beautiful, and we have all enjoyed them. Behind them, against the wall, is our pride and joy, our hibiscus. It is now 25 years old. The blossoms are really something to see, so white. They don't last very long but we really enjoy them while they are in bloom.

Think we have finally run out of news for you, so take care and we will talk with you again next week.

TOWNSHIP OF SOMERVILLE

NOTICE OF PROPOSED ROAD CLOSING AND SALE BY-LAW

TAKE NOTICE that the Corporation of the Township of Somerville proposes to pass a by-law to close part of the 66 foot road allowance, more particularly described in Schedule "A" hereto.

AND FURTHER TAKE NOTICE that the Corporation of the Township of Somerville proposes by the aforesaid by-law to authorize the sale and conveyance of that part of the said original road allowance which is closed to the owner or owners of land abutting the same at a consideration to be determined by by-law of Council.

AND FURTHER TAKE NOTICE that the proposed by-law will come before the Council of the Corporation of the Township of Somerville for consideration at its regular meeting to be held at the Township Municipal Office, P.O. Box 59, Kinmount, Ontario, K0M 2A0 (East side of Highway 121, 1 Kilometre south of Kinmount), at 7:30 p.m. on the 28th day of September 1998 and at that time Council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected by the by-law or who applies to be heard.

DATED: July 20, 1998

Elinor Burke, CMO, CMM
The Corporation of the Township of Somerville

SCHEDULE "A"

That portion of a 66 foot unopened road allowance lying between the north half of Lot 6 and the north half of Lot 7, Concession 14, Township of Somerville, County of Victoria.

THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

(File No. SRA-98-02A)

IN THE MATTER OF the Municipal Act; and

IN THE MATTER OF a proposed by-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowner, portions of the original allowance for road along the shore of Mountain Lake, lying in front of Part Lot 10, Concession 8, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 300(1) (a) of the Municipal Act, R.S.O. 1990, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider, and if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on August 13, 1998 at the hour of 10:00 a.m., a by-law to stop up, close and convey those parcels of land more particularly described as follows:-

Parts of the original allowance for road along the shore of Mountain Lake, lying in front of Part Lot 10, Concession 8, Township of Minden, designated as Part 3 on Plan 19R5846.

The plan of survey is available for inspection in the Municipal Office, at Minden, Ontario during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said by-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person, or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said by-law and who applies to be heard.

DATED AT THE Township of Minden this 30th day of June, 1998

Tammy McKelvey, A.M.C.T.

Around the County Town

by Nora Snyder (call 286-4425)

What a busy week!!! Prime in that busy-ness was the Home and Garden Tour on the 18th..It was a glorious day and a glorious tour!! Again I felt proud to be a Mindenite!! The beauty of the natural landscape, the beauty of people, the beauty of homes and gardens made and cultivated by our citizens, all went into the good feeling of being alive, especially in our area of the country!!! There is a thank you to all concerned elsewhere in the paper but thanks here too for a wonderful day!!

* * *

I met my friend from 50 years ago last week and we recognized each other right off. Margaret still had her red hair. She brought along three friends with whom she was vacationing and I brought a friend who was visiting from Guelph. Life is amazing at times. In that group many connections were discovered. My friend from Guelph had gone to school with Margaret's brother back in grade 10. Another woman was a dear family friend of a dear family friend of mine.When Margaret arrived at the cottage she said she had to call someone in Minden and this other woman said she did too. They both were calling me!! Another woman had divorced in the same year as me and our stories were very similar. It was quite a lunch!!

This week a friend from my old university days dropped in. Although we have seen each other quite a few times over the last few years, we had a reunion when I came up here after not seeing each other for perhaps 30 years!! She is taking a course at Sir Sanford given by John Leonard,who I had at first thought was our John Lennard, the mural painter, but not everything fits in to patterns it seems. She was driven here by her brother-in-law, Clement, which is the same name as my grandson. Not a name you run into every day!! This summer seems one of synchronicity and reunion!!

* * *

The Minden Women's Institute wishes to thank all those who visited the tea room at the Museum during the Home and Garden Tour. I heard someone mention that the tea room was one of the best kept secrets around here as they offered great things to eat. Maybe next year we will spread the word more as to how good a stop it is.

* * *

Club 35 handed out two special awards last week. What they are and the significance of them is known only to the playing members!! Other than those awards, Marion Farr won the 50/50 draw. Lone hands was won by Marjorie Bargerow; high woman and man were Verna Sawyer and Garth Windsor. Low woman and man were Helen Windsor and Jack McGill. Joe Darrach won the Baloney!!

* * *

Members of the Minden Indoor Lawn Bowling Club held their first Fun Day for this year on July 17. Trying not to "hog" their bowls brought out lots of laughter. In spite of the fact that Gala Heal was "Miss Piggy", she and co-skip Ross Farr brought home the "bacon" for their team of Darrel Sewell and Jean Hollobon. Second prize went to Jim Hindle, Joyce Hills, Muriel Harrington and Lee Oster. In third place were Howie Ryan, Pat Scadden and Lew Tompkins. Special draws were won by Betty Hardman, Joyce Hills and Eleanor Sewell. Eleanor also won the "spider-web" contest. Everyone went home with a prize and a good time was had by all. The next Fun Day will be held on Friday, August 7, starting at 1:00 p.m.

* * *

It has been learned that Gord Monk has been appointed to the Board of General Purposes for the Masonic Grand Lodge for a two year term. Gord will be the Chairman of Public Relations for Ontario, a position that will keep him busy !!

* * *

St. Paul's Friendship Club had a great afternoon last week. As you will see, no men won any of the prizes but they were there. Maybe next week!! The 50/50 draw was won by Jeanne Keliele and the lone hands by Mary Coltman. Joan Mackenzie was high woman and high man Dorothy McElwain. Hidden score was taken by Laura Carnegie and low was Fern Donnelly. A good turnout for a good group!!

* * *

Also, on Wednesday, August 5, St. Paul's will hold its seventh Annual Smorgasbord Dinner, which is a Hot and Cold Buffet with desserts. Sittings are at 5:00 and 6:30 p.m. Tickets are $10 for adults; $5 for those 12 and under; pre-schoolers are free. Tickets can be bought at Campbell Flowers or call 286-2856.

* * *

The Stanhope Bridge Club had another big crowd last Tuesday. There were enough people there to make up nine and a half tables. Wouldn't it be great to get those other two people this week to make up ten tables!! Playing starts at 1:00 p.m.!! Len and Mary McNeice were back from sandbagging at the Sand Banks!! Mary distinguished herself by bidding and making a small slam with partner Ross Fletcher and by sitting in fourth place with a score of 5080. Two other small slams were made by Russ Farr and his partner Jack Croucher and by Helen Rice and partner Pat Hannah. Besides Mary McNeice, in third place was Russ Farr with 5480, second Jack Croucher with 5530 and first our perennial winner, Ross Fletcher with 5710!! It sounds like it was a good day of bridge last week !!

* * *

The Bid Euchre scores from Stanhope played on July 15: There were nine moonshots made and Marcel Roussel made three of them!! The high scorers were: Jim Skinner, 320; Rob Evans, 300; Edith Burch, 294; Ken Wallace, 287; Helen Lee, 285; Olive Jones, 272.

* * *

The other Bid Euchre scores are in from Senior Bid Euchre played July 21 at the Minden Legion. Highs were taken by Ellie Langpohl, Norm Lee and Dave Leslie. The hidden score was held by Ida Young. Moonshots were won by Marcel Roussel(again!), Dave Leslie and Pat Roussel. The Legion is nicely air-conditioned, so everyone was more than comfortable on that hot day!

* * *

Also in from the Minden Legion are the Euchre scores played on July 16. Most lone hands for the women and men were won by Betty Harper and Marcel Roussel. High score honours, women and men, were taken by Verna McDonald and Dave Leslie. Low score for the women was Joey and for the men Jack Chilton. Other prizes were won by Maxine Cross, Tom Orr, Ralph Schroter and Helen Skelding.

* * *

This past week-end was the great Quilt, Rug and Fabric Arts Show. I am sure it was a huge success. On this Wednesday, July 29, is the Rotary Carnival at the Minden Community Centre starting at 5:00 p.m. That is great entertainment for the family!! For those who can't wait until Wednesday, the midway will be up and running Tuesday evening!!

* * *

Summer keeps on happening!! It is a shock to be mentioning events going on at the end of July and into August. Wouldn't it be nice for time to stop once in awhile so we could savor the moment longer ? Some moments we wish would hurry by more quickly, but some are delicious and sweet !!

* * *

See you here next week as we welcome in August!!

CARDS OF THANKS

This Thank You is for the lady who returned my purse Friday, July 17th at Subway in Minden. Thank you so much for being an honest person.
Karen.

"A Thank You
To All - from
Peg & Ed Pettinger"

We had an enjoyable 60th wedding anniversary gathering of relatives and friends in the lounge of Staanworth Court and our thanks to Audrey Trumbull and May Minto for their assistance in re-arranging the furniture in the lounge, for making the tea and coffee and as extra help in serving the tasty food prepared by the ladies of Minden United Church and served by Bea Berry, Mabel Deacon and others, not forgetting "WineMaster" Oster and photographer Jerry. The impromptu speakers did a nice job in recalling many happy occasions of our "togetherness" over the past 60 years. We appreciated the attendance of relatives and friends who were able to be present. Good Health to all!

I would like to thank everyone at Home Hardware in Minden for putting the fire out on my car on Saturday, July 18, 1998.
Barbara Voicey.

The C.H.A.C.E. Day Care Parent Action Committee would like to thank the following businesses for their sponsorship of our recent Magoo concert: Dale Austin Realty Inc., Century 21-Granite Group, Mary Carolynn Coburn, Countrywide Haliburton Realty Ltd., Haliburton Forest & Wildlife Reserve Ltd., Hudson Henderson Insurance Brokers, Re/Max Haliburton Highlands Realty Ltd., David Shapiera, The Kids on the Block Puppet Troupe. Thanks also to all who volunteered to help out with this event!

AT REST

WILLIAMSON
Boyd James

Passed away at his home in Kinmount on Sunday, July 19th, 1998 at the age of 71. Son of the late Archibald and Zeta Williamson. Dear father of Jim and his wife Karen of Courtice, Perry and his wife Deborah of Whitby and grandfather to Jessica, Cody, Kayla and Brady. Friends visited the family at the Gordon A. Monk Funeral Home, 127 Main Street, Minden on Wednesday, July 22nd, 1998 from 7 p.m. until the time of the Masonic and Funeral Services in the Chapel at 8:30 p.m. Interment was held Thursday, July 23rd, 1998 at 10 a.m. at the Kinmount Cemetery.

GEORGE
James Neilson Small
"Jim"
(Retired 35 year employee of IBM Canada.)

Passed away peacefully at his home in Minden, Ontario on Tuesday, July 31, 1998 at the age of 69. Beloved husband of Audrey. Loving father of Robert, Nancy and her husband Paul Sayewich, David and Larry. Dear grandfather of Shawn and Brooke. Brother of Giff George. Son of the late James and Agnes George. Mr. George rested at the Newediuk Funeral Home, Kipling Chapel, 2104 Kipling Ave., (north of Rexdale Blvd.) from 2-4 and 7-9 p.m. Friday July 24. Complete Funeral Service was held in the Chapel onSaturday, July 25 at 1:30 p.m. followed by cremation. Memorial donations to the Heart & Stroke Foundation would be appreciated by the family.

IN MEMORIAM

BROHM: In loving memory of our dear parents and grandparents, Lloyd (July 21, 1997) and Maisie (December 1, 1981).
God knows how much we miss them,
Never shall their memory fade,
Loving thoughts shall ever wander
To the spot where they are laid.
Lovingly remembered by daughters ***Pam, Penny, Pauline, Pat, Peggy and families.***
